Sample Specs

Item Code:

98133

Material:

Woodgrane

Category:

Faux Wood, Standard

Description:

This Woodgrane™ sample features a natural mahogany grain texture with a factory applied finish. This material, which is based on Formglas GFRG, is non-combustible and allows designers to add a wood look and feel to spaces with limitations on the use of real wood.

Surface:

Mahogany Grain

Finish:

Red Mahogany Stain

Applications:

Ceilings, Columns/Pilasters, Decorative Interior, Running Trim, Walls
